

Worksheets:

1. EIT 1601 Spaced Learning Evidence to Decision Table  
<https://costr.ilcor.org/document/spaced-versus-massed-learning-in-resuscitation-training-eit-1601-systematic-review>
2. Are cardiac arrest patient outcomes improved as a result of a member of the resuscitation team having attended an accredited advanced life support course (EIT 4000)  
<https://costr.ilcor.org/document/are-cardiac-arrest-patient-outcomes-improved-as-a-result-of-a-member-of-the-resuscitation-team-having-attended-an-accredited-advanced-life-support-course-eit-4000>
3. Basic Life Support training for specific layperson populations (EIT 6108)  
<https://costr.ilcor.org/document/basic-life-support-training-for-specific-layperson-populations-eit6108-tf-scr>
4. Blended learning approach for life support education  
<https://costr.ilcor.org/document/blended-learning-approach-for-life-support-education>
5. Cognitive Aids used in resuscitation (EIT 6400) <https://costr.ilcor.org/document/cognitive-aids-used-in-resuscitation-eit-6400-tf-sr>
6. Community initiatives to promote BLS implementation (EIT 641 & 6306)  
<https://costr.ilcor.org/document/community-initiatives-to-promote-bls-implementation-tf-scoping-review>
7. CPR Coaching during adult and paediatric cardiac arrest (EIT 6314)  
<https://costr.ilcor.org/document/cpr-coaching-during-adult-and-pediatric-cardiac-arrest-eit-6314-tf-sr>
8. CPR feedback devices in resuscitation training (EIT 6404)  
<https://costr.ilcor.org/document/cpr-feedback-device-used-in-resuscitation-training-eit-6404-tf-sr>
9. Debriefing of resuscitation performance (EIT 645)  
<https://costr.ilcor.org/document/debriefing-of-clinical-resuscitation-performance-eit-6307-tf-sr>
10. Disparity in layperson resuscitation education: A task force scoping review (EIT 6102)  
<https://costr.ilcor.org/document/disparity-in-layperson-resuscitation-education-a-task-force-scoping-review-eit-6102>
11. System performance improvement: EIT 6310 <https://costr.ilcor.org/document/eit-6310-system-performance-improvement-eit-6310-tf-sr>
12. International facets of the 'Chain of survival' (EIT 6311)  
<https://costr.ilcor.org/document/eit-6311-international-facets-of-the-chain-of-survival-eit-6311-tf-scr>
13. EMS Experience and Exposure to OHCA (EIT): Systematic Review  
<https://costr.ilcor.org/document/ems-experience-and-exposure-to-ohca-tfsr-costr>
14. End of course testing vs. continuous assessment (EIT 643)  
<https://costr.ilcor.org/document/end-of-course-testing-vs-continuous-assessment-eit-643-systematic-review>
15. First responder engaged by technology (EIT 878) <https://costr.ilcor.org/document/first-responder-engaged-by-technology-systematic-review>
16. Gamified learning for resuscitation education (EIT 6412)  
<https://costr.ilcor.org/document/gamified-learning-for-resuscitation-education-eit-6412-tfsr>
17. Immersive technologies for resuscitation education (EIT 6405)  
<https://costr.ilcor.org/document/immersive-technologies-for-resuscitation-education-eit-6405-tf-sr>
18. In situ (workplace based) simulation-based cardiopulmonary resuscitation training (EIT 6407)  
<https://costr.ilcor.org/document/in-situ-workplace-based-simulation-based-cardiopulmonary-resuscitation-training-eit-6407-tf-sr>
19. Manikin fidelity in resuscitation education (EIT 6410)  
<https://costr.ilcor.org/document/manikin-fidelity-in-resuscitation-education-eit-6410-tf-sr>
20. Patient outcomes as a result of a member of the resuscitation team attending an ALS

- course. (EIT). Extrapolated. <https://costr.ilcor.org/document/patient-outcomes-as-a-result-of-a-member-of-the-resuscitation-team-attending-an-als-course-tfsr-costr>
21. Pre-course preparation for advanced courses (revised). (EIT 637) <https://costr.ilcor.org/document/precourse-preparation-for-advanced-courses-systematic-review>
  22. Rapid cycle deliberate practice in resuscitation training (EIT 6414) <https://costr.ilcor.org/document/rapid-cycle-deliberate-practice-in-resuscitation-training-eit6414-tf-sr>
  23. Scripted debriefing for resuscitation training: A scoping review. (EIT 6413) <https://costr.ilcor.org/document/scripted-debriefing-for-resuscitation-training-a-scoping-review-eit-6413-tf-scr>
  24. Self-directed digital BLS training. (EIT 647) <https://costr.ilcor.org/document/self-directed-digital-bls-training-eit-647-tf-systematic-review>
  25. Self-directed digital-based versus instructor-led cardiopulmonary resuscitation education and training in adults and children. (EIT 6406) <https://costr.ilcor.org/document/self-directed-digital-based-versus-instructor-led-cardiopulmonary-resuscitation-education-and-training-in-adults-and-children-eit-6406-tf-sr>
  26. Stepwise Approach to Skills Teaching in Resuscitation (EIT 6402) <https://costr.ilcor.org/document/stepwise-approach-to-skills-teaching-in-resuscitation-eit-6402-tfsr>
  27. Teaching teamwork competencies for resuscitation. (EIT 6415) <https://costr.ilcor.org/document/teaching-teamwork-competencies-for-resuscitation-eit-6415-tfsr>
  28. Team and leadership training. (EIT 631) <https://costr.ilcor.org/document/team-and-leadership-training-eit-631-systematic-review>
  29. Willingness to perform Bystander - CPR. (EIT 626) <https://costr.ilcor.org/document/willingness-to-perform-bystander-cpr-eit-626-scoping-review>
  30. Workload and stress during resuscitation. (EIT 6401) <https://costr.ilcor.org/document/work-load-and-stress-during-resuscitation-eit-6401-eit-tf-scr-1>
  31. BLS Training in high-risk groups (2022) <https://costr.ilcor.org/document/bls-training-in-high-risk-groups>
